TECHNICAL DATA SHEET

Portable dental turbine unit

Portable dental air compressor for sale at good price.

Technical Data

Product Name

Portable dental turbine unit

Item NO.

YSDEN-361

Power supply

110-250V

Power

550W

Frequency

50HZ/ 60HZ

Air flow

60L/MIN

Noise

60-65dB

Net weight

28KG

Material of motor

copper

Feature and function

1. Light in weight and easy to carry
2. Unique drawbar case design, exquisite and elegant
3. Unique panel design for gas and water, easy for operation
4. The electrical control circuit output is stable and meets the load to supply the required voltage.
5. Accurate and reliable delay processing technology to provide protection when the air compressor starts
6. With DC24V low voltage operation, safe and secure
7. Good heat dissipation performance and long life usage
8. Factory direct sales, reasonable price.

Standard accessories

Description Name

QTY(PC)

Auto-loaded aie feed system

1

2/4 hole handpiece tube

2

Foot control

1

Clean water bottle

1

Stainless Tray

1

Panama | Central America | Caribbean | CARICOM
