TECHNICAL DATA SHEET

YSFT-829 Pet Grooming Table with LED Light

This table will be the featured performer, the showcased table in your hospital, clinic or salon.

It is a work of art.

The first LED lighted table in the pet industry, provides mild and gentle light for your operation or grooming needs.

World class LED chips, made in Germany, ensures long lifespan for lighting panel.

Extremely stable electric lifting base gives you a sense of comfort and ease of operation.

Safety tested matte surface glass table top, silicon sealed edges, clear, skid-proof mat (does not affect or diffuse the light below), make the surface safe and soothing for pets to stand comfortably.

Distinctive LED Lighting Table Top, Particularly Suitable for Training, Grooming and Lecture Demonstrations.
